PREFACE

This book is divided into four sections.

Section I is a list of all of the original land owners of Vermillion County. Each name is followed by a township designation and the year of that person's first purchase. He may have purchased other land after that date. All purchases were made in the 1800's.

Abbreviations for the townships:

Clinton - c	Helt - he	Vermillion - v
Eugene - e	Highland - hi	

Section II is a list of persons to whom marriage licenses were granted between 1824 and 1832. These appear in Vermillion County, Indiana, Marriage Record, Vol. I. Only those names which have not been published or which are spelled differently than they are spelled in the marriage returns are given in this list.

Section III is a list of persons to who marriage licenses were granted between 1832 and 1838. These appear in Vermillion County, Indiana, Marriage Record, Vol. II. Only those names which have not been published or which are spelled differently than they are spelled in the marriage returns are given in this list.

Section IV is a list of all marriage returns that are recorded in Vermillion County, Indiana, Marriage Records, Volume II (1838 to 1844).

VERMILLION COUNTY, INDIANA, MARRIAGE RECORDS 1838-1844
(Section IV)

Printed below are the marriage returns recorded in Vermillion County, Indiana, Marriage Record, Volume II. We will begin where THE ILLIANA GENEALOGIST, Vol. 1, No. 3, left off. The three issues of THE GENEALOGIST and this volume now complete all of the marriage records for Vermillion County, Indiana, to March, 1844.

Many of these names are obviously misspelled but we have recorded them as they appeared in the records. (This was also true of the previous two sections.)

The date given in this section is the marriage date.
